FIFTEEN CENTS

Fire, Rescue building progresses

Progress is being made on Antioch's new fire and rescue squad building, under construction on Orchard St. in downtown Antioch.

According to Tod Maplethorpe, fire chief, three-quarters of the foundation has been put in and one-half of the training tower is up.

Most of the brickwork in the rescue squad meeting room

has been completed and much of the cement pad and floor work has been done.

WORK WAS SLIGHTLY delayed when construction workers encountered about two feet of sand on the building site.

The land was replaced with gravel which, according to soil tests, now makes the land solid and reliable for the building's foundation.

K-Mor, of Arlington Heights, is the general contractor for the building.

MR. MAPLETHORPE SAID that steel structures are scheduled to be put in this week.

"After that, we will be able to do more bricklaying and put a roof deck on so that we can work through the winter," he said.

The building is scheduled to be completed and ready for occupancy by May of next year.

Turkey winners are selected

Fifteen persons have won free turkeys for their Thanksgiving dinners.

The winners of the contest, publicized in the Antioch News the past two weeks, were announced Monday by the 15 participating merchants and businessmen.

The winners must pick up their gift certificates at the various business establishments and take them to Jo-Pat's Antioch Packing House by Wednesday, Nov. 22.

The complete list of winners follows:

High School chooses outstanding sophomores

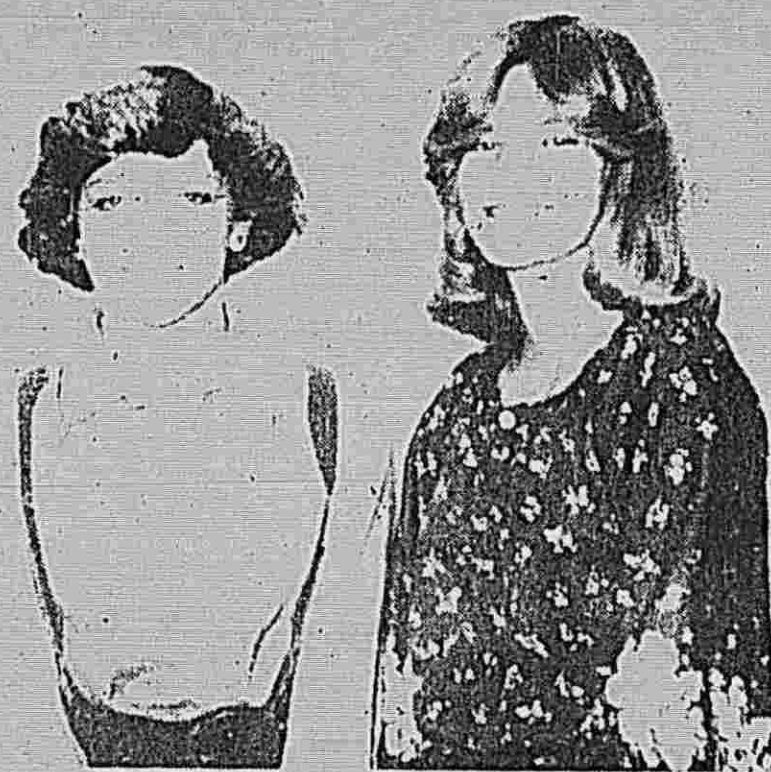

Kirsten Laurin, 15, has been chosen to represent Antioch High School at the Hugh O'Brian Illinois Convention in Chicago early in 1979.

Jennifer Czapiewski, 15, is the runnerup for the convention.

Kirsten and Jennifer, both sophomores at Antioch High School, were chosen from a group of 29 outstanding sophomores.

Nine semifinalists were then selected from the 29. They were required to prepare a paper describing their life achievements which could be related to leadership qualities.

FOUR FINALISTS were then selected. They were interviewed by a committee, comprised of Ron Chilcote and Chuck Spillner of the Antioch Jaycees, and the high school administration.

Jennifer Czapiewski and Kirsten Laurin

The Antioch Jaycees will finance the weekend convention in Chicago, which Miss Laurin will attend.

The Hugh O'Brian Foundation pays all expenses for the state finalists at the week-long convention, to be held this year in New York.

HUGH O'BRIAN, the motion picture and TV star, was an orphan who, upon achieving success, wanted to do something for young people.

He organized a convention at which each year a high school sophomore from each state spends a week at a designated site and meets with prominent government and business leaders in a seminar dealing with the incentive system.

The 9 sophomores selected as semifinalists were Jennifer Czapiewski, Andrew Dugenske, Dawn Flaschner, Kirsten Laurin, Susan Roth, Ann Sertic, Debbie Sieben, Peter Weber and Sylvia Wegh.

The four finalists were Miss Czapiewski, Miss Laurin, Miss Sieben and Miss Wegh.

4 Sequoits are all-conference

After Antioch's football team rocked and socked Wauconda 39-6 here on Homecoming Saturday, the losing coach, Len Siatta, said:

"They beat us in the trenches and controlled the line of scrimmage. What else can you say?"

Conference coaches said it again last week when they gave four of those Antioch linemen all-conference honors.

The 35-man all-Northwest Suburban Conference squad includes Dave Aschbacher, 175-pound guard; Mike O'Hara, 193-pound tackle; Scott Schroeder, 174-pound end and defensive back, and Andy Dziki, 167-pound linebacker.

ALL 4 OF THE Antioch stars are seniors. Their play this

season was typical of the way the Sequoits' offensive line opened holes for its running backs and the way the defense ripped through to toss opposing ball-carriers for losses.

Antioch's backfield stars didn't win all-conference honors simply because they lacked the statistics. Coach Steve Wapon used several ball-carriers in the Sequoits' effective ground attack, so only occasionally did one stand out over the others.

The same was true for quarterbacks Rob Nauman and Jim Sertic, who kept the ground game moving and consequently didn't have to pass too often.

Nauman did, however, throw six touchdown passes to tie for second in the conference in that department. Keith Kelly of Grant led the league with seven and Bill Torgeson of Wauconda threw for six.

THE ALL-CONFERENCE backfield was led by Dan Fiddymont of Warren's championship team. He led the league in scoring with 60 points on 10 touchdowns.

Other all-conference offensive backs included Chip Gatto and Mark Schmitke of Stevenson, Tomi Farm of Grayslake, Mike Richards of Round Lake, Jon Miller of Grant, Perry Lubera of Wauconda, Larry Boucher of Lake

Buster VanPatten retires as clerk

After serving 29½ years as Antioch township clerk, Llewellyn (Buster) VanPatten has retired.

Mr. VanPatten's retirement became effective Nov. 1 and was accompanied by his retirement from the Lake County Highway Department.

Mr. Van Patten has worked the past six years for the

highway department, and for 20 years, before that, at Olson Implement Co.

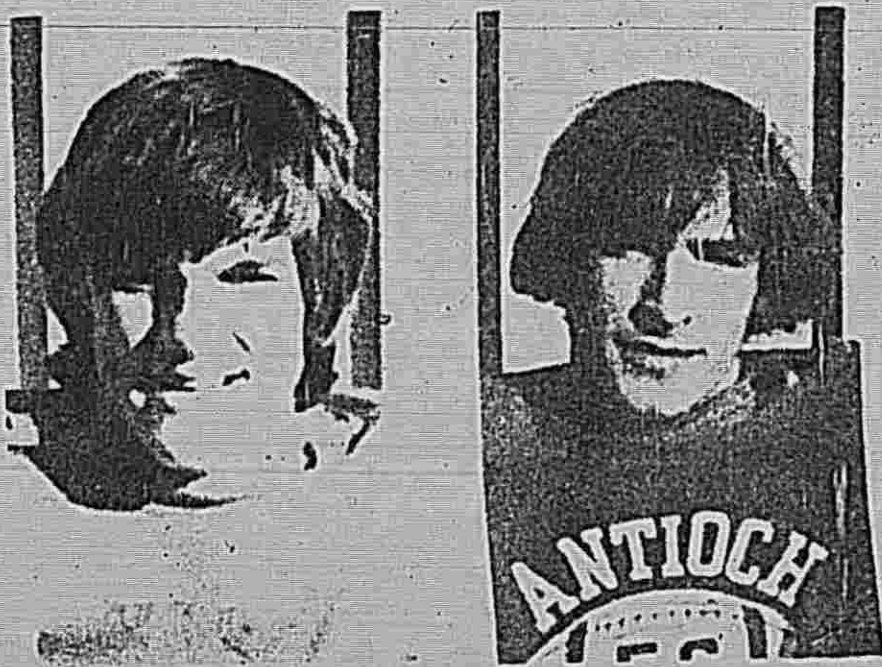

He will be replaced by Richard Harland, of Channel Lake, who was officially sworn in last Thursday night.

Mr. Harland is also employed by the county highway department.

Police stop car full of 'loot'

Three youths were apprehended Monday night after Antioch police stopped their car and found five CB systems, one Polaroid 210 camera, and one AM-FM eight-track radio.

The three youths, Gregory F. McKenna, 17, of Antioch, and Gary L. Hill, 18, Antioch, and one juvenile claimed a hitchhiker they had picked up had put the goods in their car, police said.

AFTER FURTHER questioning, Lt. Tom Fisher said, McKenna and Hill finally admitted to their involvement in the theft.

One CB system and the Polaroid camera fit the description of goods discovered taken from a Dodge van parked at Antioch Bowl.

The owner of the van is listed by police as Arden M. Hanson, Lindenhurst.

THE OWNERS of other items found in the car have not yet been located.

McKenna and Hill were charged with theft under \$150. They await a hearing Nov. 29 at Lake County Court House.

The juvenile was released to his parents, pending the filing of a juvenile petition.

2 arrested here for vandalism

Two juveniles, both from Antioch, were apprehended last Friday night for vandalism after they were observed by a private citizen breaking car windows.

The police were contacted and after interrogation it was discovered that one of the youths was involved in other instances of vandalism in the area, police said.

Both youths have been referred by police to juvenile court.

Pros take over in negotiations

Professional negotiators for Antioch's grade school board and District 34 teachers were present last Wednesday night at a "bargaining session."

This was the first session at which Ken Twadell, from the Illinois Association of School Boards, represented Antioch's grade school board in negotiations.

Glen Smith acted as negotiator for the teachers.

THE MEETING, which lasted more than three hours, was termed by Bruce Jablonski, school board member, as "a getting-acquainted-session."

Rick Bryan, spokesman for the teachers, called the meeting "informative for the board's professional, but not essentially a negotiation session."

No collective bargaining took place. Most of the meeting was spent familiarizing Twadell with the district and its situation, sources said.

ONE VERBAL agreement was made between the two negotiators. This was to combine the teachers' expired contract with the professional negotiations agreement.

Twadell will be given three weeks to compose a full, written, counter-proposal to the teachers' proposal.

The next session is scheduled for Wednesday, Nov. 29.

Adult 'driver ed' class is planned

Antioch High School will offer an adult driver education class for "bonafide residents" of the high school district 117.

Persons must be 18 years or older and not enrolled in the high school.

The course is made up of 10 hours of classroom and simulation, plus 10 half-hour lessons behind the wheel.

The cost of the course is \$70. Enrollment will be limited since the number of instructors is limited. Registration will be on a first-come basis.

THE COURSE will start Wednesday, Nov. 29, at 7 p.m. with registration accepted during school hours, 8 to 4 p.m. daily, except Saturday and Sunday.

Registration will be accepted until Nov. 22 in the principal's office. Registration blanks should be accompanied with a \$30 deposit.

WARD A. LEAR, CHAIRMAN of driver education, said: "This is the first time in a number of years that the high school has been able to offer an adult course, since evening instructors have been difficult to secure. Also, as far as we know, we have no local business concern offering this service to the adults in the Antioch High School district."

POLITICAL ANALYSIS

"From What We Can Tell, Chief...The Significance
Of The Election Is That It Was Insignificant..."

Messages from the election

Lake County voters said two things clearly in last week's general election:

1. It's still difficult for a Democrat to win a county office.
2. Even though Lake County Republican organizations urged them to retain the office of county auditor, voters balk when it comes to spending their money.

VOTERS OVERWHELMINGLY axed the mainly administrative auditor's post 54,000 votes to 30,500. They also said no to the Lake County Museum's request for a tax increase.

William Smith, the Republican who won the election for auditor only to see the job eliminated, had a beautiful comment ready:

"It's like taking a dive into a dry swimming pool."

REPUBLICANS VOTED INTO office, as expected were the three County Board candidates from our area, District 4.

R.G. (Bud) Holtz, Antioch township assessor, and his running mates, Joseph Tobolik and Janet Kapischke each received almost 12,000 votes.

Frank ReCupido of Antioch led the three-person Democratic slate with nearly 7,000 votes but once again, the Democrats lost in this race.

ONE OF THE MOST shocking results was in the race for sheriff, where Republican Tom Brown piled up nearly 59,000 votes compared to about 43,000 for the incumbent Democrat, E.J. (Chick) LaMagdeleine.

LaMagdeleine has been a good sheriff and there was no reason why he should have been replaced — except that Brown was a better politician and campaigner, and Brown is a Republican.

Deuster's plans for next session

Now that he has been re-elected, State Rep. Donald E. Deuster of Mundelein has announced his legislative proposals for the 1979 session of the Illinois General Assembly.

They include a highway maintenance resolution to study the adoption of the Wisconsin system, whereby counties maintain state roads with a cost reimbursement agreement with the state.

"I believe that adoption of the Wisconsin system will help us eliminate political patronage from the state highway department," Deuster said. "It would also improve the efficiency and economy of our road maintenance activities."

DEUSTER'S LEGISLATIVE PROPOSALS also include these topics:

Real Estate Tax Assessments: Gradually reduce level of assessment from 33 1/3% of fair cash value to 25% (for assessment years 1980 and 1981); to 20% (for assessment years 1982 and 1983); to 15% (for assessment years 1984 and 1985); and, to 10% for 1986 assessment year and subsequent years.

Drinking Age: Restore the Illinois drinking age to 21 years as it was prior to 1973.

Auto Liability Insurance: Require persons age 16 and 17 to provide proof of liability insurance before issuance of driver's license.

RTA Board: Provide that the Governor shall appoint the chairman of the RTA Board with approval of 3/5ths of the Senate and House.

Sales Tax: Repeal the sales tax on food and prescription drugs.

Ending inflation means we must accept discomfort

Inflation is the No. 1 economic concern of the American people today. If concern about rising prices is so widespread, why can't we do something about the situation?

One thing is the way we think about inflation. It is an economic problem and also, a political problem.

A solution can only be reached through actions that have unavoidable political consequences.

THE MOST IMPORTANT of these actions concerns the federal budget. We are now in the fourth year of an economic expansion, but are still running federal budget deficits. That's almost a guarantee of continuing increases in prices.

When President Carter submitted his budget for fiscal 1979 last January, the proposed deficit was \$61 billion. By late July, the Administration had trimmed its proposed deficit to \$43.5 billion.

CONGRESS HOLDS the purse strings for the federal government. However, both the House and Senate must approve a budget resolution to establish a ceiling on federal spending — and a ceiling on the federal deficit — for the coming year. It is the only time during the year when Congress must vote on both spending and revenues at the same time.

That's where we, the people, enter the picture. Because Congress does not act in a vacuum. Our representatives act in response to what they hear from their constituents — and what they hear is confusion.

There are loud sounds of taxpayer revolts clashing against cries for more special interest spending programs.

payments, bankers want loan guarantees for high risk loans.

We Americans have become experts at pleading the case for our own special interests — but no one speaks out for the nation as a whole.

IN THE PAST, we have all asked for something from Uncle Sam, but we did not ask the cost. The result has been a ballooning budget deficit and serious inflation.

We now know the cost, and an increasing number of Americans are saying, "No, more." They want an end to inflationary budget deficits — even if it means cuts in special programs.

They recognize the need to make short-range sacrifices to win the long-range prize: an end to inflation.

NO ONE IS UNDER an illusion that inflation can be stopped quickly. It took years for inflation to work its way into the fabric of our economy, and it will take years for us to root it out.

Ending federal budget deficits is not only action that we can take to put a stop to spiraling prices. Increasing productivity, eliminating unnecessary federal regulations, minimizing our dependence on foreign oil — all will help bring inflation under control.

BRINGING AN END to federal deficits clearly has top priority in much of the voting public's mind — even at the cost of some short-term discomfort.

We need to communicate our feeling to our legislators in Washington. Our representatives on Capitol Hill should be mindful of this shift in their constituents' view.

75 parents ask for information on negotiations

Mrs. Melody Fahrner, a spokeswoman for a group of parents, last week presented a request to District 34 grade school board members.

The request, signed by about 75 parents, read: "We the taxpayers and parents of Antioch School District 34 would like to sit in on 1978-79 contract negotiations between the teachers and the school board, with no possibility of executive session or closed door."

AFTER READING the request, Mrs. Fahrner asked the board for a response.

Gail Heath, president of the board, replied that the board has a policy which requires it shall not respond at meetings to comments made from the audience.

The intention of the group of parents, according to Mrs. Fahrner, is not to favor either the teachers or board's positions, but simply "to know the facts."

"We're tired of gossip. We want to know what's really going on," Mrs. Fahrner said.

MRS. FAHRNER SAID she felt the children are now being affected by the conflict between teachers and school officials. She said the parents she represents are concerned over the amount of money being paid by the board for a professional negotiator and insurance consultant.

Since the meeting, Mrs. Fahrner said she has received no response to the parents' request.

Dr. Donald Skidmore, District 34 superintendent, said the board is taking the request under consideration.

THE HIRING OF Ken Twadell, from the Illinois Association of School Boards, as professional negotiator for the board was formally approved at the meeting.

The rates for the negotiator include a \$400 base service fee for the first two meetings, \$40 per hour for "live-at-the-table" negotiations, and \$20 per hour and 20

cents per mile for travel expenses.

Board members also discussed "work stoppage policies."

Dr. Skidmore said the adoption of these policies is not intended to encourage a strike, but rather to present a clear definition of what the district would do in the event a strike occurs.

THE FIRST POLICY gives the board the right to request from any teacher, using sick days during the strike, verification from a doctor of his or her illness.

If verification is not provided, the board would have the right to not pay for days missed during the strike.

The second policy gives the board the right to cancel salary payments to staff members participating in a strike, "regardless of whether they participate actively or inactively, by refusing to cross the picket line."

"I THINK formulating a policy of this nature is necessary," said Bruce Jablonski, board member and chief negotiator for the board.

Both policies were adopted by the board.

A bus mechanic and custodian were hired at the meeting.

Mr. Wesley Redlin will replace George Hucker as the district's bus mechanic, with an initial 90-day probationary period.

Robert Wendtörf will replace Vic Muller as custodian for the Upper Grade School, with an initial 90-day probationary period.

The board has instituted a new policy which requires a probationary period of 90 calendar days for non-certified employees.

Board members approved the purchase of two bus chassis from Pedersen Implement Co. at a cost of \$18,606 and two bus bodies from Hausman Bus Sales at a cost of \$11,620.

APPROVAL WAS GRANTED for payment to contractors working at Oakland School. The payments are \$21,000

to Ames Brothers Inc., \$1,090 to William Ziegler and Sons, Inc., \$1,470 to Davis Heating Co., and \$1,800 to Kelso Burnette.

It was decided that a new water circulation pump be purchased for Oakland School. The cost of the pump is \$988.

TM lecture here Nov. 28

Jim Polley of Antioch will present an "Introduction to the Transcendental Meditation Program" on Tuesday, Nov. 28.

The free public lecture will begin at 7:30 p.m. at the Antioch Township Library on Main St.

"The TM program requires no change in lifestyle and is not a religion or philosophy," said Polley. "It has, therefore, been found to be applicable to many aspects of individual and social development."

"The TM technique, when practiced for 15-20 minutes each morning and evening, brings greater energy, mental clarity, and thus more harmonious social interaction. A growing body of more than 300 scientific studies at 200 research institutions (such as Harvard Medical School, Stanford Research Institute and UCLA) indicates a wide range of benefits produced by the TM technique."

Polley, an Antioch resident, will present the "Preparatory Lecture," the second lecture in the 7-step TM program on Thursday, Nov. 30. This lecture also will begin at 7:30 at the Antioch library.

Polley is inviting all people who have already attended an "Introductory Lecture."

"Both lectures are free and will conclude with question-answer sessions," he said.

70 YEARS AGO: NOVEMBER 13, 1908

One of the most disgusting sights imaginable, as witnessed by a reporter on South Genesee street, Waukegan, was to see several little children, girls and boys alike, who did not appear to be more than three or four years of age, drinking beer out of partially emptied bottles that stood in front of a certain saloon. By-standers who stood near thought that the matter was a good joke and encouraged the children in the debauchery.

Quite a sensation has been created in the village of Salem by the arrest of Joseph and Henry Hartnell, both prominent men, on the charges of arson. The two were arrested on the statement that they had set fire to a building in a lumber yard just to see how much excitement the fire would cause.

In this week's issue will be found a page ad, announcing the retirement from business, in Waukegan, of the well known firm of Hein-Ornstein & Co.

One of the most daring robberies that has taken place in Lake County in some time took place at the Northwestern depot at Lake Bluff Monday afternoon. A bold sneak thief entered the station while Agent Witherstein was out in the baggage room attending to necessary baggage work there, grabbed up the weekly remittance envelope containing \$125.65, and made a successful escape.

Welles, the son of the late Mr. and Mrs. Welles of Kenosha, entered Todd School at the age of 11, and within 5 years was writing, producing, directing and acting in school shows. Now at the age of 23 he is hailed as one of the most capable younger legitimate stage and radio actors.

20 YEARS AGO: NOVEMBER 13, 1958

It wasn't Halloween or April Fool's Day, but someone felt the urge to be funny. The result: a homemade Russian flag hanging from the Antioch Township High School flagpole. It was reported that two or three students admit being present at the hoisting but deny taking part in the actual stunt.

Robert Boyle, son of Mr. and Mrs. Roberg G. Doyle, has joined the glee club at St. Ambrose college, where he is a freshman. Doyle was graduated last June from Antioch High School.

Two new Winsor Drive homes are being built by prominent Antioch residents. They are Lawrence Ryan and Dr. F.L. Bobzien.

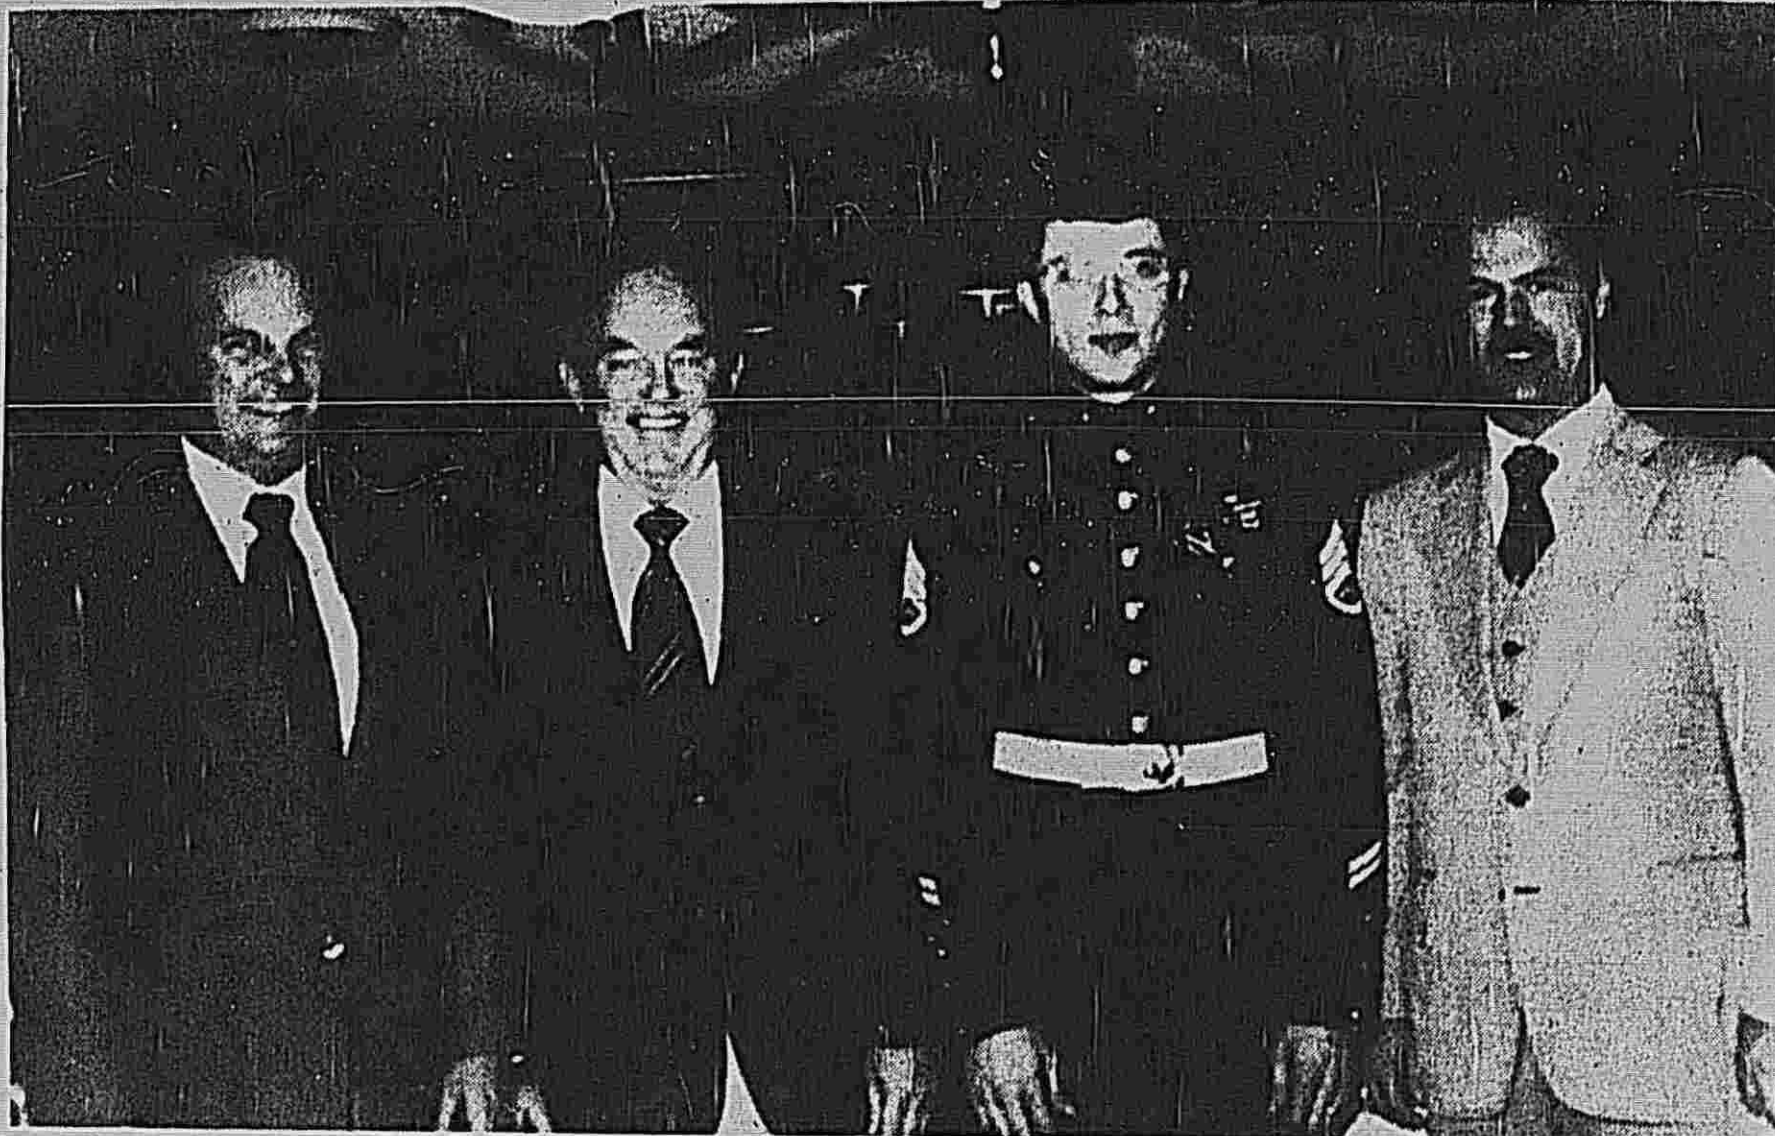

Letter to the Editor: Would you please write an article in your paper stating that the person who drove a station wagon with eight children from subdivision to subdivision on Halloween (should be thanked). (The residents) thank the children for writing dirty words in red crayone on mine and other property in Beach Grove Subdivision. I had given them their candy and still their filthy minds would not allow them to be little ladies. I'm sure they were seventh and eighth graders.

10 YEARS AGO: NOVEMBER 14, 1968

Mrs. Shirley Gutowski of Antioch has been named chairman of the 1969 Mothers March of Dimes in Antioch.

Richard Milhous Nixon, president elect, who rose to political prominence as a senator and vice-president, only to have his hopes for the presidency dashed in 1960, is now the new president-elect who will take over the reigns of the United States government in January.

Spiro T. Agnew, the vice-president elect, a lawyer by profession, was county executive of Baltimore County, one of the nation's largest and fastest-growing political subdivisions for four years before being elected Governor of the state of Maryland in 1967.

Three former Marine Corps members and one active Marine met last Friday at the Country House on Tiffany Rd. in Antioch. They were celebrating the 203rd birthday of the corps.

From left to right, they are Julian (Jay) Dziki, who entered the Marine Corps in 1942; Larry Ryan, who

joined the corps in 1943; Sgt. Norbert Karczewski, who became a Marine in 1971 and now serves as a recruiter in Waukegan, and Pat Sikorski, who entered the corps in 1960.

Sikorski, who arranged the luncheon, said they may consider making the get-together an annual affair.

Skinner to run for U.S. Senate

State Representative Cal Skinner Jr. (R-McHenry County) has announced his candidacy for the office of United States senator in 1980.

Skinner, 36, said he is seeking federal office in order "to work toward bringing inflation under control."

"We have a U.S. senator (Adlai Stevenson) who is part of the inflation problem," he said. "He and his Democratic colleagues are systematically making it impossible for senior citizens to live in dignity, for your couples to buy homes, and for parents to afford to send their children to college."

"Inflation is the most visible and disabling result of what our government in Washington is doing to us," Skinner said. "Government is coming close to overwhelming us. Sadly, too much of government is just irrelevant to most people."

Emmons holds food drive

This week the Emmon's P.T.O. is holding its annual Thanksgiving food drive. The students are being very generous by donating canned or non-perishable food items for those in need.

The food will be given to a new organization called The Community Food Barrel. The objective of this group is to temporarily assist a family in need of food. They have a centralized pantry in Antioch and are working with parishes of Lake Villa and Antioch.

If anyone would care to

contribute to this program or is in need of assistance, please contact the organization at: P.O. Box 557, Antioch, Illinois 60002.

Happenings Hain is named principal of new school

Salem Consolidated Grade School will present a fall concert in the school gym at 8 p.m. Monday, Nov. 20.

Several groups will perform, including the school's jazz band and the band and chorus.

The concert is open to the public, admission free.

THE REGULAR monthly meeting of the board of education of Antioch High School, District 117, will be held Thursday at 7:30 p.m., in the board room.

The meeting was changed from the fourth Thursday of the month due to the conflict with the Thanksgiving holiday.

Paul Hain has been appointed by Antioch's District 34 school board as the first principal of Antioch's new lower grade school, which is now under construction.

Hain is currently the principal of Channel Lake School, which will close upon completion of the new school.

"PSYCHOSYNTHESIS could be called 'getting it all together' — the integration of the psychological, emotional, physical and spiritual sides of a person," according to Diana Mrotek, director of community education at College of Lake County.

The College will hold two weekend workshops to explore psychosynthesis on November 10 and 11.

The Friday evening workshop (CEW 808-001) will include lecture, discussion and guided fantasy to

explore psychosynthetic technique; and the Saturday workshop (CEW 809-001) will focus on using these techniques to integrate the lives of participants more effectively.

Participants may take either or both of the workshops, although the Friday workshop is meant to be an introduction to the later one.

More information is available through Ms. Mrotek at 223-6601, ext. 471.

THE ENGAGEMENT OF Constance E. Ryan to Daniel E. Haley has been announced by her parents, Mr. and Mrs. Lawrence Ryan of Antioch. Her fiancé is the son of Mr. Thomas Haley Jr. The couple plans a February wedding.

Carol Wells, husband honeymoon in Ireland

Ireland was the honeymoon destination of Mr. and Mrs. Gerald Patrick Callaghan following their marriage in St. Peter's Church in Antioch and a reception at the Fox Lake Country Club.

The former Carol Jean Wells and her bridegroom exchanged vows before the Rev. Leslie Hoppe of Dubuque, Ia. She is the daughter of Mr. and Mrs. Richard A. Wells of Antioch. He is the son of Mr. and Mrs. Martin Callaghan of Chicago.

The bride's white quiana gown was fashioned with long fitted sleeves, Queen Anne neckline and the bodice and sleeves of silk Venice lace. The matching Camelot headpiece held her chapel length illusion veil.

Elaine Wells Carlson served as matron of honor and Mr. Mick Callaghan was best man with Edward Wells and Mark Mohr as ushers.

Highlighting the wedding was music played by the bride's sisters, Marlene and Nancy Wells and friend Dean Vendl. The couple chose a traditional Irish folk song, "Samhradh, Samhradh" and scriptures were read by both their sisters, Gloria Wells and Mrs. Joan Doherty.

The new Mr. and Mrs. Callaghan are at home in Urbana where the bride is a research assistant with the institute for environmental studies on campus and her bridegroom is a second year law student.

Pete Cleven brightened our day Monday by pointing out that spring is only 17 weeks away.

When Rudy Karsten of Harden St. was honored by the village last week, on his 50th anniversary as a naturalized U.S. citizen (after coming here from Germany), it was his fourth such honor within a couple of weeks.

Previously, Rudy had received letters of congratulations from U.S. Senators Percy and Stevenson, and from State Senator Karl Berning.

STEVE WAPON, ANTIOCH'S varsity football coach, asked me to tell you all how much the Sequoit coaches and team members appreciate the tremendous support you gave them this season.

Steve especially thanked the players' moms for feeding the athletes during their pre-season camp and for decorating the locker room before the "Parents Day" game. The players always knew they weren't out on that field alone.

Wow, Evelyn Freund certainly has been busy. She recently visited her daughter, Marlene Peters, in Scottsdale, Arizona, then she went to visit daughter Betty Price in Sadalia, Mo. While there she became a great-grandmother. Her great-granddaughter is named Leticia Renee. Congrats!

IT'S A GIRL! Sarah Ann Booth was born Friday, Nov. 10, at Lake Forest Hospital. She tipped the scales at 8 lb. 11 1/2 oz. Mom and Dad, Jocelyn and Dave Booth, sure are proud of the little lady. Congrats!

SOME FRIENDS asked me to remind motorists that, although they can turn right after stopping for a red light, they can't do it when the walk light is on.

Pedestrians shouldn't have to dodge and dance their way across intersections such as Lake and Main.

SEE YOU TODAY (Wednesday) at the 20th anniversary open house being held at Antioch Travel Agency.

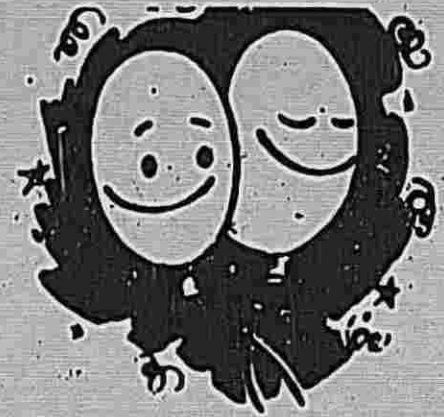

Wally and Dottie Daniels and their associates are planning a very nice party, with refreshments and door prizes.

The hours are 12 noon to 6 p.m. and their offices are at 425 Lake St., in the Savings & Loan Plaza. They're mighty nice folks.

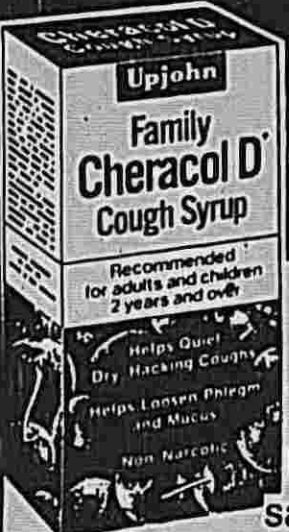

One of the Lower Grade School students was really on the lookout on his way to school yesterday. He found a ladies ring near Pittman Pontiac on Main Street and would like to find the owner to return it. If you lost a ring in that vicinity call the school at 395-0845 or stop in at the office and identify it.

THE ENTERTAINER

'The Messiah' is scheduled for Dec. 3

Christmas is a time for rejoicing — and there is no more joyful production in

the Christian tradition of music than the Christmas portion of Handel's "The Messiah."

Antioch area residents can look forward to the sixth annual production of "The Messiah" by the community chorus on Sunday, Dec. 3, at 8 p.m. at Antioch High School.

There have been three major changes this year. There will be only one performance, at 8 p.m.

The concert will be produced by The Fool's Players. Previous productions

by the group were "Jesus Christ Superstar," "Amahl and the Night Visitors," and "Godspell."

For "The Messiah," call 395-1259 for reservations. Tickets will be available from chorus members and at the door on the evening of the performance.

4-H News

Meetings of the Clever Clovers 4-H club are held on the first Thursday of each month at 7 p.m. at the State Bank of Antioch. Visitors are welcome.

At the Nov. 2 meeting, visitors were Susan Nemec and Michelle Holtzinger.

Demonstrations followed. Gary Quedenfeld talked about photography, Mike Fallon showed how to make a neon test light, and Marsha Fallon did a flower arrangement in a cornucopia.

Before refreshments, a Japanese game was played. It is "Karuta," something like lotto or bingo, but the cards have lines of poetry instead of numbers.

Someone reads the first line of a poem and the players pick out a card containing the last lines.

IN REHEARSAL — Members of the cast (from left to right) Tricia Schaefer as Minsey, Brian Bently Blanchard as Borden, Lillian Allen as Norma and Thomas Hausman as Roy, rehearse a scene from the American Repertory Theatre System's dinner-theatre production of "Plaza Suite" directed by Barbara D. Miller. The show is being presented at Andre's Steak House, Richmond, through Sunday. Dinner-theatre times are Friday and Saturday at 6 p.m. and Sunday at 1:30 p.m. Reservations are necessary (815) 678-2671.

Forty-one College of Lake County students, including Debbie Lech of Antioch, have joined the Alpha Alpha Pi chapter of Phi Theta Kappa, a national society for community college honor students.

TICKETS are available for the college's fifth annual Madrigal Feast.

The event, which has traditionally heralded the beginning of the holiday season for hundreds of Lake county residents, is scheduled for the evenings of Dec. 2 and 3, at 6:30 p.m., at the college.

The cost is \$10 a person and covers a traditional 17th century English dinner and an evening's entertainment. The entertainers, all CLC students, include singers, mimmers, acrobats, fencers and fire jugglers.

OLDER Americans concerned about passing the written portion of the Illinois driver's license exam can attend free review classes on "Rules of the Road for Older Americans" in Fox Lake, Grayslake, Lake Villa, Zion or Waukegan during December.

Quick Quiz!

Q. A porpoise is a (a) fish (b) mammal (c) bird?

ANSWER: (b). A porpoise is not a fish, as many people think, but a mammal. These lively ocean inhabitants are members of the "whale" order. They eat ten percent of their body weight a day (which may account for "sea hog" as the Latin translation of porpoise). Recent government statistics estimate that even those porpoises once thought by some to be in danger are now increasing handsomely.

Astro- Analysis

By Sonia

ARIES [March 21-April 19] - Share your ideas, philosophies with those you enjoy intellectually. Your involvement with new educational pursuits could open other doors.

TAURUS [April 20-May 20] - Be broadminded; accept mate or partner's suggestions at improving joint ventures. You prosper through the efforts of others now. A good week to rebuild old plans and ideas.

GEMINI [May 21-June 21] - Your activities are spotlighted so make a good impression. By showing that you are capable of handling extra duties compensation comes through advancement.

CANCER [June 22-July 21] - Hopes and ideas can now become a reality. Handle your new business offers with sound judgment. Good friends should be included where important moves are considered.

LEO [July 22-August 21] - Your bright outlook lends inspiration to those close to you. Expansive ideas are apt to get things moving in the right direction.

VIRGO [August 22-September 22] - Avoid domestic hassles by seeking interesting new outside activities. Consider taking up some new course of study which allows some social outlet as well.

LIBRA [September 23-October 22] - Good accomplishments can be made with new friends but you're prone to splurge; maintain some control with the budget. Set a more active pace so you can get old obligations out of the way.

SCORPIO [October 23-November 21] - An excellent trend for making important moves. Take plenty of time for deciding about career plans; an old acquaintance can give excellent advice now.

SAGITTARIUS [November 22-December 20] - It's easy to scatter attentions in too many areas; do some careful planning about your week's activities before getting underway. Intuition is exceptional and can be relied upon.

CAPRICORN [December 21-January 20] - A restriction or setback in present plans could be a blessing in disguise; use your extra time to develop creativity, gain new perspective.

AQUARIUS [January 21-February 19] - You are in a position to attract influential people who can give career plans a boost. Concentrate on creating a good public image, getting responsibilities taken care of effectively.

PISCES [February 20-March 20] - Avoid promising to those you can't keep, there's a tendency to overextend your workload now. Plan a routine that gives time to attend to personal aims.

Woman's Club treated to Spanish songs, dances

By IRENE CLEMENS

The Antioch Woman's Club "Reciprocity Day" luncheon was held at the Antioch Methodist Church last week.

Guests and members enjoyed the delicious food.

A program of Spanish and Mexican songs and dances was presented by Barbara Taggart. The Mexican Hat Dance and authentic Spanish folk dances were performed by Sonita, Carole Johnson and Pat Cornelius.

President of the club, Mrs. Jerry Rockow, presented a special award certificate to Mrs. David Nissen, rehabilitation chairman, for her service to the veterans at Downey Hospital.

Mrs. William Brook asked for volunteers to help wrap Christmas packages on Dec. 18, 19, 20 and 21 from 6 to 9 p.m. at Hawthorn Shopping Center for the benefit of the American Cancer Society.

THE NEXT MEETING will be held Monday, Nov. 20 at the First Bank of Antioch at 1 p.m. The program will be "Indians of the Southwest" by Susan Regitz.

The hostess committee last week included Ruth Jedele, Eileen Lewin, Thelma Anderson, LaVergne Newton, Barby Tobias, Rosebud Sunich, Mildred Walther, Eileen Pedersen, Virginia Murphy, Jan Ranney and Dorothy Scichowski.

Clinic at St. Peter's

A combined immunization, hearing and vision screening clinic for children will be held Wednesday, Nov. 15 at St. Peter's Church Hall. This free clinic will be conducted by the Lake county Health Dept. and will be open from 9 a.m. to 11:30 a.m. Appointments are not necessary. A parent or guardian must accompany all children.

This is an excellent opportunity for parents to have their children immunized against Polio, D.P.T. (Diphtheria, Whooping Cough, Tetanus) Measles, Mumps, Rubella (German Measles) and to determine if their hearing and vision are normal. All pre-school and school age children are welcome.

Parents are asked to bring their children's past immunization records with them so that current immunization needs can be determined. If the child has an immunization letter from the school nurse, it should also be brought to the clinic.

THE \$200 WAGER on the recent State Bank versus Savings & Loan volleyball match was donated to the newly-formed Girl Scout Troop 134 of Grass Lake school. The State Bank won the match in a continuing "athletic supremacy series" and the two financial institutions always give \$100 to a worthy cause. The Girl Scouts are Kelly Quinlivan (left) and Karen Schmel. Adults (from left) are Laddie Korecek and Tom Kelly of the Antioch Savings & Loan Association, Troop Leader Jean Quinlivan, and Maryanne Kaht and Marcia Fox of the State Bank of Antioch.

Grade School Band Parents

The Antioch Grade School Band Parents Association's Halloween Fun Fair was a success. Many people who launched balloons at the Fun Fair are waiting to hear who wins the \$10 prize. The winner will be announced at the next band parents meeting Dec. 4.

The winners of the costume contest were: Pre-school - Brian Leitza, Emily Johnson, Carrie Guenther. K-2 - Matthew Johnson, Michelle and Milinda Nelson and Kurt

More people visit the Grand Canyon in Arizona than any other natural wonder in the U.S., according to the U.S. Travel Service.

DeBenedetto. 3-5 - Danny Vineyard, Rodney Volling and Tammy Burbridge. 6-8 - Melanie Kleban, Karen Cowie and Zora Grcic.

The band students will be selling candy Nov. 15-27. All students-selling 24 boxes of candy will be invited to a swimming party at a later date.

THE BAND PARENTS are trying to make up a list of names of people that have used instruments for sale. Many band students are looking for good used instruments to buy. Anyone wanting to buy or sell an instrument please call the Antioch Lower Grade School or the Upper Grade School and leave your name and phone number for Miss Higus or Mr. Wagner.

The annual Christmas Concert will be given Dec. 10 at the Upper Grade School. The band parents will be selling tubs of cheese and sausages again this year at the concert.

Membership to the band parents is only \$1. We hope to see a lot of new faces in our group. Meetings are the first Monday of every month at the Upper Grade cafeteria at 7:30 p.m. The next meeting is Dec. 4.

A bell for Millburn!

PETE LUKAS FOUND this huge bell in a churchyard while vacationing in Southern Illinois. "It was all rusted," he said, "but when I sandblasted I found that it was cast in 1892." Lukas, in the garage of his home, repaired the repainted the bell, then asked LeBaron Steel Co. of Waukegan to provide a crane to raise it to the church tower.

THE MILLBURN CONGREGATIONAL Church, on Hy. 45 and Grass Lake Rd., has been without a bell since 1935, when it was destroyed by fire. A member of the parish, Pete Lukas, of Yorkhouse Rd. in Wadsworth, remedied that with the help of his family and friends.

GUIDING THE BELL TOWER into place on the church roof are Peter H. Lukas Jr. and Kevin Hauser. LeBaron Steel Co. provided the crane for this project but when Gerry Vander Meer, a member of the parish, asked for a bill, Herman Stiehr of the LeBaron firm said "no charge."

THESE FOUR MEN installed the old bell and a new tower on the roof of Millburn Church. From left: Kevin Hauser, Pete Lukas, Peter H. Lukas Jr. and George West. West, Pete's son-in-law, made a steel cross for the top of the tower.

"IT SOUNDS BEAUTIFUL," said Pete Lukas after he and the Rev. Donald McPeck arranged for Joyce Lukas to officially ring the church's new bell after dedication ceremonies on Sunday, Nov. 5. (Photos by Vander Meer.)

PETE LUKAS SAID the new bell tower is a donation to the Millburn Church in honor of his wife, Joyce, who was stricken with cancer in 1976, underwent treatment and had the disease arrested in May of 1977.

New team is a talented group

After last winter's "super season" what can Antioch High School's basketball team do for an encore?

Well, it appears the Sequoits will have an "interesting season," to say the least.

Last year's team won the conference title with a 16-0 record and then reached the sectional finals before losing to Rockford East, which wound up fourth in the state.

BUT, ANTIOCH'S STARTING lineup — Bill Dubek, Tracy Sodman, Tim Huebner, Brian Andrews and John Eder — has graduated.

So a new team, built around lettermen Dave Gutowski and Roger Korjenek, plus seniors who saw little action last winter and six juniors coming up from the sophomore ranks, will carry Antioch's colors into Northwest Suburban Conference action.

Coach Roger Andrews says his 16 Sequoit varsity players are competing enthusiastically for starting assignments.

ALSO, HE FEELS, the team has considerable talent even though most of the players were overshadowed last year by one of the better groups of seniors who have played basketball here in recent years.

"We'll be quicker and faster this year," Andrews said. "This may help us defensively. I think we're going to be a little scrappier this year and that may make up for the lack of game experience the players have."

In the conference, Grant's Bulldogs are the favorites because they have five starters returning and a group of juniors who were 16-0 as sophomores last season.

Other strong teams include Warren, Stevenson and Wauconda.

The conference is back to eight teams this year — the same eight schools that just completed the Northwest Suburban football season.

BEFORE THE FIRST conference basketball game Friday, Dec. 1, at Grant the Sequoits will play three contests in a very tough Barrington tournament.

It begins for Antioch Wednesday night, Nov. 22, when the Sequoits play Barrington at 8:30 p.m.

"Barrington is 6-7, 6-6 and 6-5 across the front line," said Andrews.

On Friday, Nov. 24, Antioch returns to the Barrington classic for a 6:30 p.m. game against Elgin Larkin. Then, on Saturday, Nov. 25, the Sequoits play Libertyville at 6:30 p.m.

Libertyville is replacing Cary-Grove in the tournament, thus making it a little tougher than usual.

The varsity roster:

LETTERMEN — Roger Korjenek, f, 6-3, senior; Dave Gutowski, g, 5-10, senior.

NON-LETTERMEN — Scott Gallagher, f-g, 6-1, senior; Pete Ploss, c, 6-4, senior; Rob Nauman, f-c, 6-3, senior; Chris Oddsen, c, 6-4, senior; Roger Plechaty, g, 5-9, senior; Bill Ranker, c, 6-0, senior; Pat Sikorski, g-f, 6-1, senior; Ted Poulos, g, 5-11, senior; Mike Anderson, g, 5-8, junior; Chris Kempinski, g-f, 5-11, junior; Jim Sertic, g, 5-10, junior; Ron Nauman, c, 6-6, junior; Mike Pramsafer, g-f, 6-0, junior; Kurt Selak, f, 6-1, junior.

Dave Gutowski

We already have enough coal lined up to last until 2020.

Nearly a billion tons of it. Enough to provide electricity until well into the next century, based on our projected fuel mix. We own much of it, waiting to mine it when we need it.

And we will need it. Because by the end of this century, the demand for electricity is expected to triple. Our coal will help meet that demand.

But it's also doing something else very important. It's helping conserve scarce fuels: oil and natural gas.

Over half of the electricity we make comes from coal and most of the rest comes from uranium. Both are abundant fuels. Last year these fuels provided us with energy equal to 100,000,000 barrels of oil.

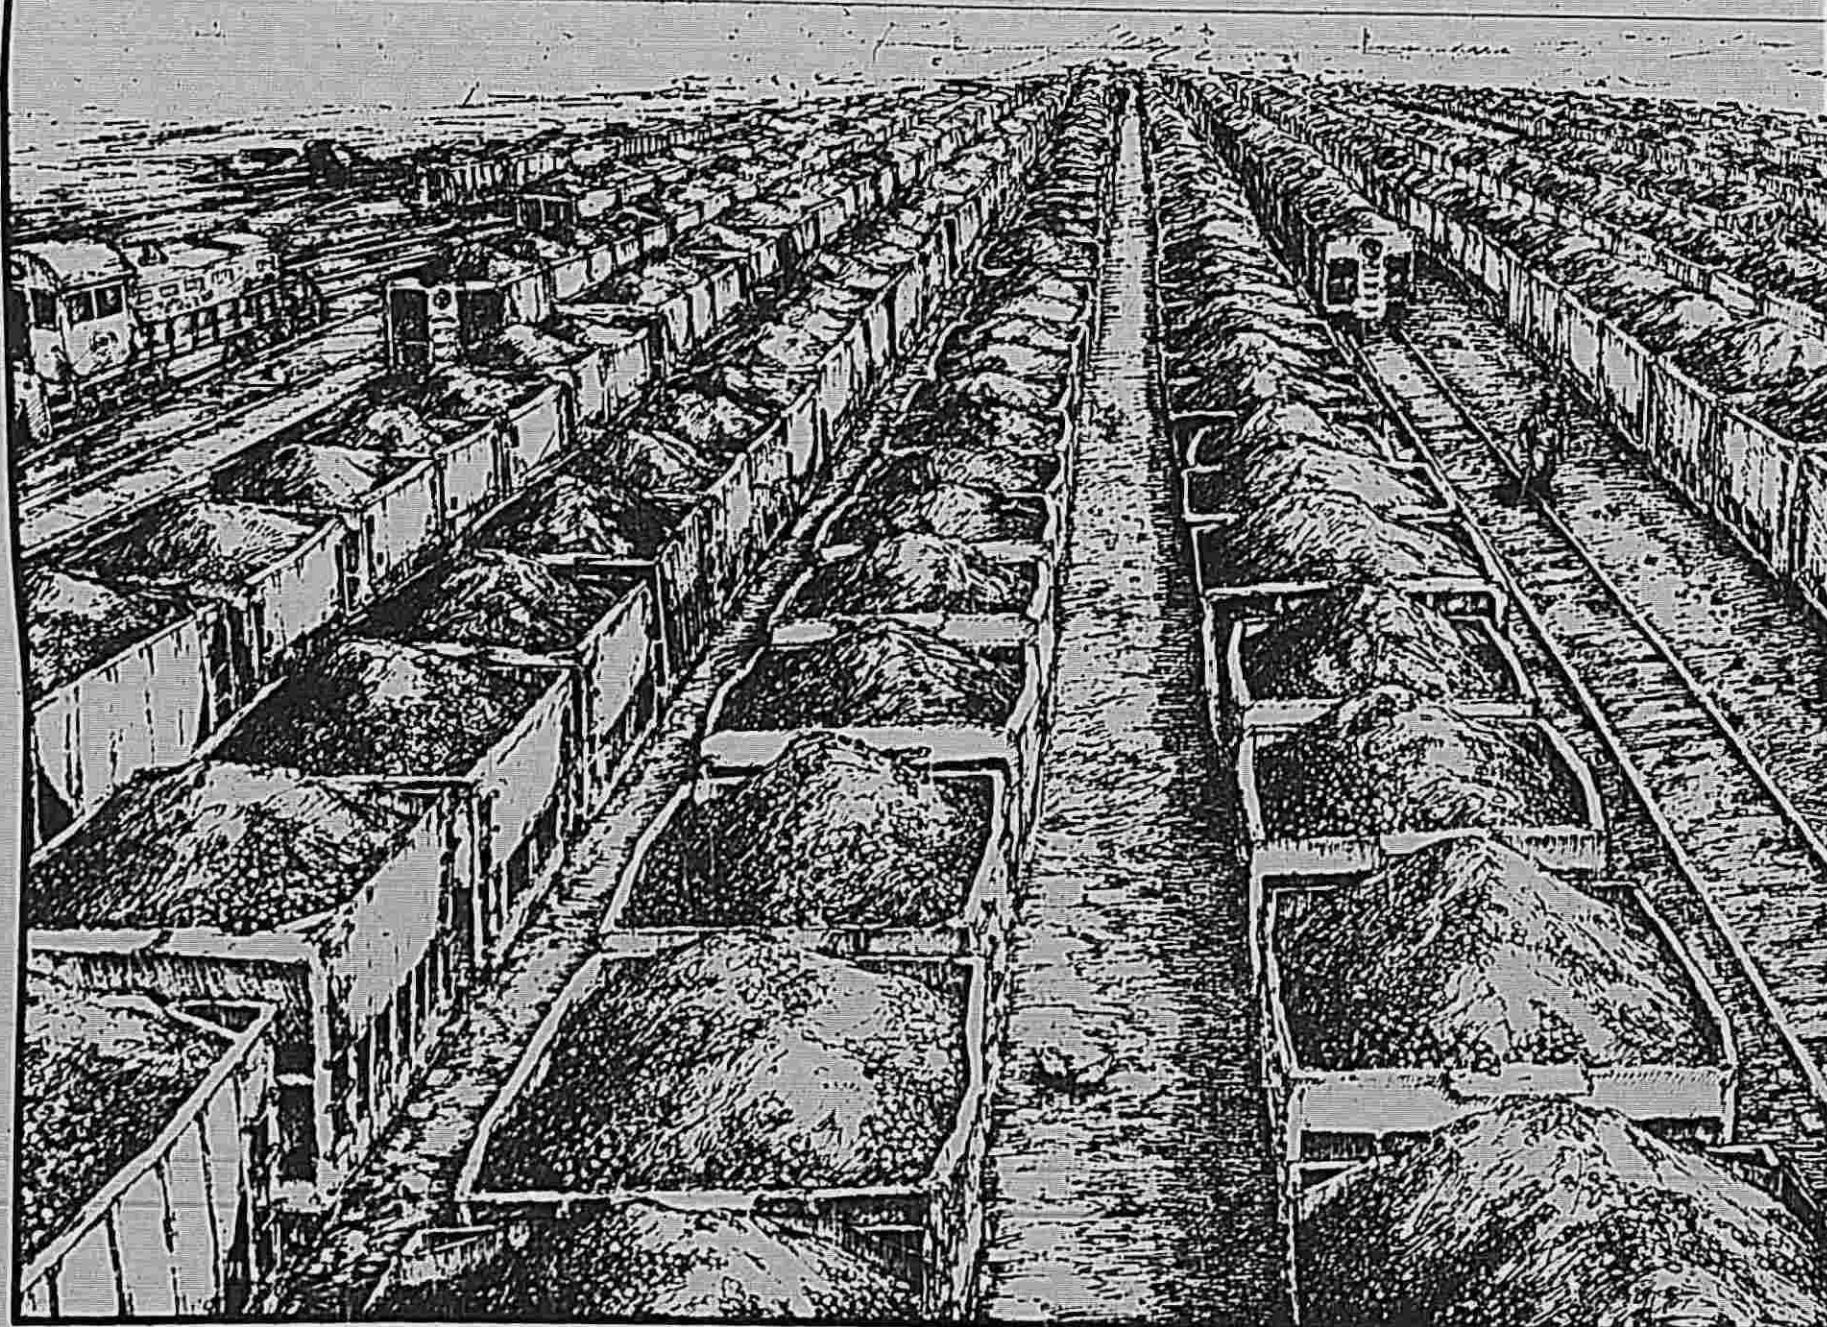

Coal is one important reason we can call electricity the Conservation Energy. It's one way we can make sure there will always be enough electricity.

Commonwealth Edison electricity is made mostly from abundant coal and uranium. That helps conserve the scarce fuels oil and gas.

Viking Lightweights win championship

The Antioch Viking Lightweights shut out Winnetka 24-0 Sunday for the championship of the Junior Football League of Northern Illinois.

Quarterback Tom Adams started the drive for the first score in the second quarter with a pass play to Joel Bissing that covered 40 yards. Bissing then scored the touchdown. The kick was wide and the score was 6-0.

THE SECOND HALF saw Craig Sheedlo kick off to Winnetka and run down field to make the tackle. He repeated the feat several times during the afternoon.

On their first play Winnetka fumbled and Viking Eddy Silva recovered. John Silianoff began the drive downfield for the Vikings and eventually plunged in for the score, 12-0.

Later in the third quarter, Les Zitkus ran the ball in for the third T.D.

In the fourth quarter Silianoff intercepted a Winnetka pass and ran 30 yards to make the final score 24-0.

THE FINAL SCORE didn't indicate the caliber of play in this championship game. Winnetka pounded the defense all afternoon for little gain. Viking ends guarded against power sweeps, knowing Winnetka could score on any mistake. It was a hard-hitting, fast-moving game punctuated by interceptions to the final whistle.

Winnetka intercepted with 41 seconds left in the game

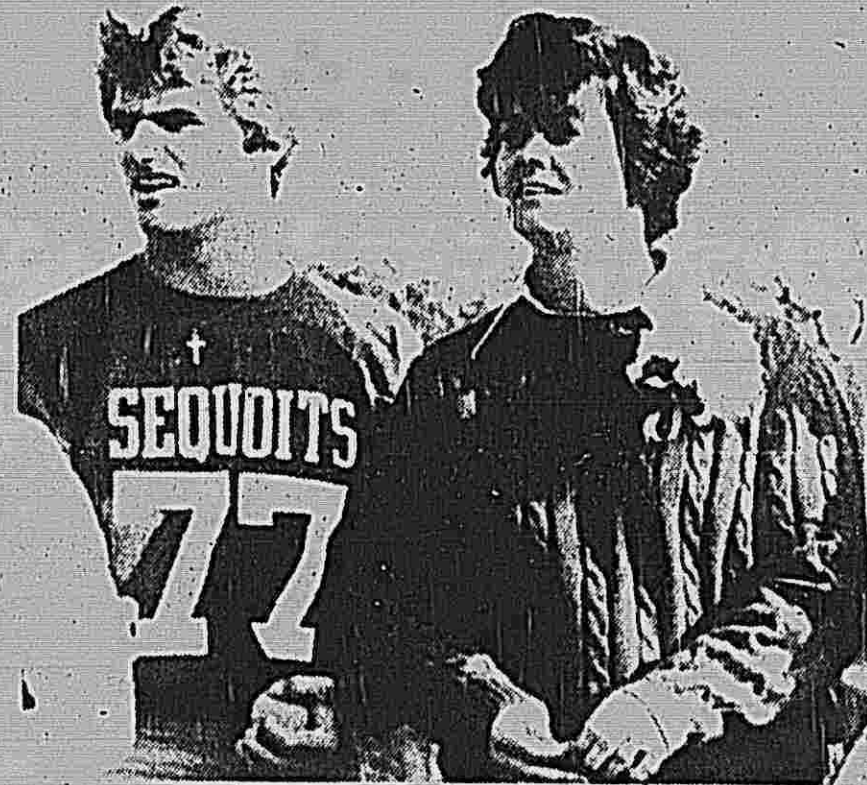

and Sheedlo snatched the ball back with 15 seconds left. "Antioch played their finest game of the season," coaches said.

At halftime the Northern Illinois Football League awarded trophies to two all-star players from each team in the league. Tom Adams and Les Zitkus accepted the all-star trophies for Antioch.

At the end of the game a panel of league representatives awarded the "Most Valuable Player" trophy to Craig Sheedlo.

Coach Russ Lehn said, "I would have been happy with the choice of anyone of 5 or 6 of those boys today."

"PARENTS DAY" concluded Antioch High School's football season 10 days ago and an Antioch News photographer photographed Scott Gallagher with his mom, "Sis." Scott now is a member of the school's basketball team which opens its season next Wednesday, Nov. 22, at Barrington.

Heavyweights lose 16-14 in final minute

Just when it looked as if the Viking Heavyweights were about to win their first Northern Illinois Junior Football League championship, lightning suddenly struck in the form of a long bomb.

With a little over a minute to go, Winnetka scored on a 90-yard pass play to tie the game at 14-all. Their "extra points" kick was good, making the score 16-14 and that's the way it ended.

It was a hard-hitting contest all the way with the Vikings having the edge in ball control.

ANTIOCH'S FIRST TD came in the second quarter on a plunge up the middle by Kevin Kovach, and they led 8-0 after Derek Olsen made the "Extra Points" kick.

Winnetka also scored in the second quarter and converted for two points to tie things up.

A tough Viking defense kept Winnetka confined to its own territory in the third quarter.

THE VIKINGS MISSED a couple of opportunities in the third period but with about five minutes to go in the fourth quarter Andy Lehn punched over Antioch's second touchdown, the placekick hit the upright and was no good.

The Vikings kept pushing their opponents deeper into their own territory until they finally had them on the Winnetka 10-yard line with a third and 20, and about a minute left.

That's when the Winnetka quarterback threw deep up the middle to his right end who gathered it in on the 35 and went all the way for the T.D. They made the kick and took the lead 16-14.

The all-star team was announced and two Vikings were selected — Ray Bergman and Andy Lehn.

The Viking coaching staff said it was extremely proud of this year's team and, even in the loss to Winnetka, "they looked like champs."

Undefeated teams play Thursday in new cage league

A first place "shootout" between two undefeated teams will highlight Thursday night's action in the new Antioch Men's Basketball League.

In a 7:30 game in the high school's south gym, the Limerick Lounge will clash with Century 21.

Each team boosted its record to 4-0 by winning last Thursday.

THE LIMERICK TRIMMED the State Bank 51-33 as Steve Bentel led the way with 15 points. Mike Tylkowski hit for 12 and Mike Perrone 11.

For the Bankers, Jim Weiss had 12 points and Jeff Dresser, Antioch High School assistant coach, contributed 9.

Century 21 received a scare but edged BJ Sports Center 48-46 in overtime. Paul Gofron led the winners with 16 points and Steve Dobner had 10.

For BJ's, Rick Sedar scored 12 and John Eder 11.

ALSO LAST THURSDAY, Maestrazi Brothers defeated The Wharf 68-57 after trailing by 18 points in the first half.

John Janosko had 21 points for Maestrazi while Steve Pilcher led The Wharf with 18.

In other games this Thursday, the Wharf (1-3) plays the State Bank (0-4) at 6:30 p.m., and BJ's Sports (1-3) tests Maestrazi Brothers (2-2) at 8:30.

CLC NEWS

"ASSERTIVENESS

Training for Nurses" is the subject of one-day workshop sponsored by College of Lake County and the Lakeland Association for Occupational Health

Nurses Nov. 11 at the Cabriolet Restaurant in Libertyville.

The workshop is intended for nurses who wish to become more aware of their own assertiveness by looking at their assertive abilities.

Information may be ob-

tained by calling Diana Mrotek, CLC's director of community education, at 223-6601, Ext. 267.

THOSE WISHING to enter the nursing, dental assisting, radiologic technology (X-ray), medical records technology or medical laboratory technology programs at the College of Lake County in the fall of

1979 should begin admission procedures immediately, reports Virginia Thompson, chairperson for the college's Biological and Health Sciences Division.

"Because these programs are open to a limited number of students, applicants must complete a special screening procedure, which is used to select the academically best

qualified from those requesting admission," Dr. Thompson said.

First preference in the screening process is given to residents of CLC's district and cooperating districts. However, specific admission requirements vary with each program.

For further information, contact the College of Lake County's Admission Office

at 223-6601, ext. 300 or call the Biological and Health Sciences Office at 223-6601, ext. 420.

In everyday speech, about 60,000 words are used.

Savings & Loan has flood damage forms

Lake County suffered severe rains at the end of August ... rains were so bad, in fact, that Lake and its adjoining counties have been declared a disaster area.

Because of that declaration, the Small Business Administration is now making low interest loans to those who suffered flood damage.

To qualify for relief, you must follow this procedure.

1. you must have suffered a legitimate loss from flooding at the end of last August
2. You must apply for the loan on the SBA forms.
3. You must obtain a letter from a licensed insurance agent stating that you were not covered for the loss incurred. The agent should send that letter directly to the SBA.

The Antioch Savings & Loan Association has found that many of its customers have had difficulty obtaining the application forms.

"Fortunately we have been able to obtain a supply for those who had flooding in their home or business. These applications can now be picked up at Antioch Savings & Loan," said Thomas Kelly, president of the association.

He added: "However, all applicants must hurry, because all applications must be postmarked on or before Dec. 1. It should be understood that Antioch Savings is not making these loans but is offering the SBA application forms as a community service."

She married Clarence Geisler on Apr. 25, 1946 in Ralla, Mo.

Survivors include her husband, Clarence; one son, John (Ronnie) Geisler of Gurnee; three daughters, Mrs. Peggy (David) Braa of San Diego, Calif., Mrs. Patricia (Greg) Leksick of Grand Island, Neb., Laura Jean Geisler (at home); her mother, Mrs. Mildred Finn of Wood River, Ill.; one brother, William Finn of Wood River, Ill.; two sisters, Mrs. Viola (Grady) Smith of Highland, Ind. and Mrs. Shirley (Max) Ridgeway of Valpraiso, Ind.; and seven grandchildren.

Funeral services were held Friday at the Strang Funeral Home, Antioch. Rev. Alan Jude of the Grace Community Church of Venetian Village officiated.

Robert H. Schmidt Sr.

Robert H. Schmidt Sr., 63, of Salem passed away Thursday, Nov. 9 at the Veterans Administration Hospital in North Chicago. He was born Oct. 29, 1915 in Chicago and lived there until moving to Salem in 1951.

He married Rita Battistoni on Apr. 1, 1944 in Chicago. He served in the U.S. Navy during WW II and was a member of the Schultz-Hahn American Legion Post #293 of Silver Lake. Mr. Schmidt was also a member of St. Alphonse Church in New Munster, a former member of the Salem Fire Dept. He worked as a security guard for over 10 years at Fanstall Metalurgical Co. in North Chicago, retiring one year ago. He was a member of the International Guard's Union Local #9 and was a Union Stewart.

Survivors include his widow Rita; four sons, Robert H. Jr. (Shirley) of Cincinnati, Ohio, James L. (Mary Kay) of Silver Lake, Daniel J. of Berkeley, Calif., and Paul R. (Linda) of Milwaukee; one sister, Florence Bruce of Calif.; two grandchildren and two great-grandchildren. He was preceded in death by one brother, Francis J. Schmidt on Apr. 15, 1969.

Funeral mass was held Saturday at St. Alphonse Church in New Munster. Rev. John Grebauskas officiated. Interment was in the parish cemetery. Friends called at the Strang Funeral Home, Antioch.

Darrel C. Chapman

Mr. Darrell C. Chapman, 65, of Grass Lake Road, Antioch, passed away Friday, Nov. 10 at the V.A. Hospital in North Chicago. He was born Aug. 21, 1913 in Martinsville, Ill. and had lived in Knollwood, Ill. for several years before moving to Antioch four years ago.

He had served in the U.S. Army during WW II and was an instructor of Electronics at DeVry Tech. Institute in Chicago for 22 years, retiring in 1970.

He married Lois "Betty" Palas on June 6, 1947 in International Falls, Minn.

Survivors include his widow, Lois "Betty"; one son, William J. of Antioch; one daughter, Mrs. Patricia (Steven) Vos of Antioch.

Funeral services were held Monday at the Strang Funeral Home, Antioch. The Rev. Donald McPeck of the Millburn Congregational Church officiated. Interment was in Millburn Cemetery.

Byzantine Mass at St. Peter's

A Byzantine Divine Liturgy will be celebrated Sunday at 5:30 p.m. in St. Peter's Catholic Church, Antioch.

Rev. Francis Kub, associate pastor of St. Peter's, will celebrate the liturgy. Fr. Kub is a Bi-Ritual priest which means he has the faculty and permission of Cardinal Cody to celebrate Mass in the Eastern-Rite of the Catholic Church as well as Mass in the Roman Catholic Church.

The group of Byzantine Catholic families is growing. Now there are 30 families, some traveling as far as 65 miles one-way to hear their Byzantine Mass on Sundays in Antioch.

The Mass to be celebrated on Sunday will be special because two charter busses from St. Mary's Byzantine church in Chicago will be there. Area residents are invited to attend.

The first Christmas Club was introduced by a Carlisle, Pennsylvania bank in 1909!

REFLECTIONS ...

Found: a very special cafe and a very special man

By LINDA BARNES

Sarkis is an Armenian man who immigrated to America 16 years ago.

He owns a cafe where he makes, in old black iron pans, delicious omelettes of all different varieties.

The cafe, in Evanston, is small, cluttered and unpretentious — and feels, in fact, like Sarkis' own personal kitchen. It has a warmth, comfort and vitality that strikes you as soon as you enter.

THERE IS A SPECIAL atmosphere in the cafe which invites you, and relaxes you, and at the same time excites you.

This very special atmosphere, it soon becomes apparent, derives itself from the energy and spirit of Sarkis himself.

Sarkis has a personal welcome and handshake for everyone who comes. He wants to know your name and how you are and pays careful attention to exactly how you want your omelette made.

WITHIN 10 MINUTES after meeting Sarkis, you feel you are his good friend. You find yourself relaxing and spontaneously talking to the person next to you.

Sarkis makes each person who comes into his cafe feel as if he is something wonderful and valuable and unique. If there is a problem, Sarkis will listen and offer advice. If spirits are down, Sarkis will try to boost them up.

THERE ARE newspaper clippings on the wall — articles that have been written about Sarkis and his cafe.

Each article calls attention to Sarkis' friendliness, exuberance and joviality. Each mentions Sarkis' self-proclaimed purpose in life — "to make other people happy."

And this Sarkis does — with an unmistakable sincerity and selflessness.

SARKIS SIMPLY RADIATES love. (It is his love and positive energy which instantly draw people to him.)

There is an unusual spark to his spirit which is reflected in his soft, smiling eyes and kind voice.

There is nothing masked or hidden about Sarkis. He unhesitatingly shares himself and his food with you.

If a customer has no money, Sarkis tells him, "That's alright, Sarkis will take care of it."

JUST BEING AROUND Sarkis will give you a tremendous lift. You cannot help but be affected by his beauty of spirit and inner happiness.

What makes this man — so simple, yet so wise — so gentle yet so strong, so humble yet so dignified, so naturally happy?

It is love — a love of people and himself and life — an unreasoned, unanalyzed, uncalculated love which flows generously to all who pass his way.
